Your investment choices

You are able to decide how you want your total contributions to be invested. You can choose to invest in one or more of the 13 funds available, or to invest in the Lifestyle option. Lifestyle is designed to achieve a sensible balance between investment returns and risks for most members. If you do not select any of the funds overleaf, your contributions are automatically invested in this option.

Before you make any decisions, please read the information on all of the funds listed and investing in general. You will find this information in the investment guide enclosed with your new joiner pack, online at <https://pensionline.bp.com> or by request from the BP UK pensions and benefits team.
